## Letter of Recommendation: Professional Reference

Dear Professional Referee,

We greatly appreciate that you are able to provide a professional reference for an applicant to the 2024-2026 admission to Lund University International Master's Programme in Environmental Studies and Sustainability Science (LUMES).

As LUMES is international and inter-disciplinary and entirely conducted in English, your contribution is important in our final assessment of the applicant's capacity and general suitability to successfully complete the programme.

Please complete the reference form in English, Swedish, Danish or Norwegian.

Name of the applicant:

The applicant's application number:

1. How long have you known the applicant, and in what capacity?

2. What is your assessment of the applicant's **professional development and achievements**?

3. What is your assessment of the applicant's **ability and attitude to constructively contribute to goals set up by the employer and to achievements in the working place**?

4. What is your assessment of the applicant's **general character, diligence, creativity and capacity for original thought**?

5. What is your assessment of the applicant's **ability to work (a) independently (b) in teams**?

6. If you are able to judge: What is your assessment of the applicant's **proficiency in the English language**?

Based on your knowledge of the applicant's academic ability and general character, **what is your assessment of the potential of the candidate to successfully complete** an international, interdisciplinary master's programme within the given time? Please select the most appropriate alternative.

- great potential to graduate with distinction within 2 years
- good potential to graduate in 2 years with good results
- fair potential to graduate in 2 years
- will graduate if given more time than 2 years
- insufficient basis for judgement

---

Based on your assessment above, do you

- strongly recommend
- recommend
- recommend with reservation
- recommend with strong reservations

that this applicant be admitted to any of the above listed programmes? Please select the most appropriate alternative.
