STATEMENT OF PURPOSE

- Write 100-180 words in each of the 3 boxes below and overleaf. Do not continue on separate papers.
- Be personal, truthful, and concise. You must write your Statement of Purpose yourself.
- An application without authentic answers to all the 3 questions will not be considered.
- You **must** sign and save the form before you upload it to your account on www.universityadmissions.se.

1. Which two sustainability challenges intrigue you; do you see them as interrelated (and if so how); and how would you like to approach them (theoretically, methodologically, empirically and/or based on your own experiences)?

2. What in the LUMES curriculum has sparked your interest in particular and why?

3. How do you expect to benefit from the LUMES programme and in your future plans after completion of LUMES?

STATEMENT OF UNDERSTANDING

I hereby confirm that I have written this Statement of Purpose myself.
